Expected Results:

To provide personalized and challenging undergraduate and graduate education programs of national caliber within a context dedicated to public service and improving the quality and value of education in South Carolina.

Outcome Measures:

Winthrop University in 2007-2008 successfully guided 910 students to bachelor's degrees and 239 to master's degrees, providing SC with a more able citizenry and a more talented workforce. Winthrop's success in educating students for the sciences, particularly chemistry and biochemistry, is noteworthy, with a third of these graduates entering medical school, a third entering graduate research and a third moving into the workforce. Over all fields, Winthrop emphasizes student outcome assessment through tracking retention data and measuring value added at various stages of the undergraduate experience (Lumina/Collegiate Learning Assessment project and the National Survey on Student Engagement.) Winthrop is accredited by the Commissions on Colleges of the Southern Association of Colleges and Schools. In addition, the university has achieved 100 percent national accreditation for all eligible academic programs and options.
